

ATTENTION all Athens High School athletes, band and cheerleaders:

Protect Your Heart!

**Heart Screening
Tuesday April 24th**

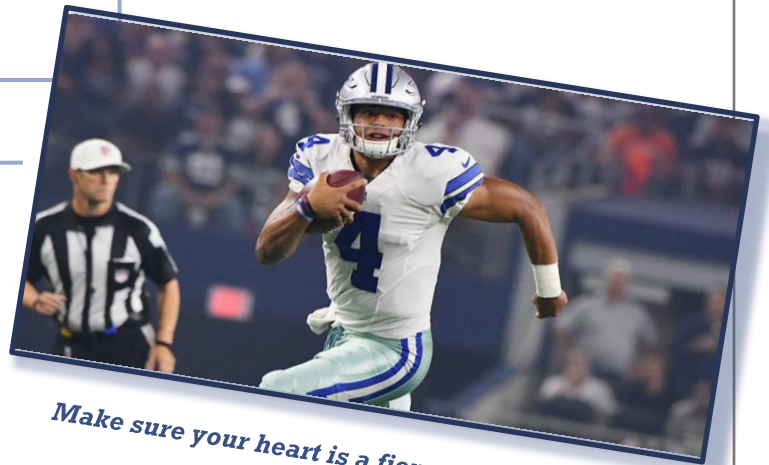

**For all students, athletes, band and
cheerleaders**

Athens ISD cares about our students' heart health, so we are partnering with Who We Play For to screen athletes with an ECG (electrocardiogram). An ECG, also known as an EKG, can detect issues in the heart that can be missed in a standard physical. Please be sure to show up for this very important screening.

Special thanks goes to the Cody Stephens Foundation for their generous donation, which allows us to provide this heart screening for FREE! Cody died in 2012 from an undiagnosed heart issue, and his family started the foundation to make sure other families don't have to experience the same pain. See www.codystephensfoundation.org to learn about Cody's story.

*Every student must have a signed consent form to participate – they were sent home, but check with Coach Mendez or your coach if you need one. The screening will be held during school on **April 24th!!***

Please visit www.whoweplayfor.org for more information about heart screenings!

Make sure your heart is a fierce competitor too!
